

EVERGREEN
Private Care

Evergreen Private Care is a licensed, private-duty, private-pay home care company providing skilled and non-skilled care

RNs, LVNs, CNAs, Caregivers are Needed!

We are currently hiring the following:

1. RNs as Client Managers to oversee the care of their clients, perform initial assessments with new clients, perform visits for reassessments, supervisory visits etc.
2. RNs and LVNs to fulfill shifts and/or visits with private clients. All shifts available, from 1 hour to 12 hours.
3. CNAs to assist private clients with personal care. All shifts available, from 1 hour to 12 hours.
4. Caregivers that have caregiving experience but are not CNAs (TX allows these individuals to work as PCAs – personal care attendants based on experience and being tested by an RN). All shifts available, from 1 hour to 12 hours.

Benefits of working with Evergreen Private Care:

1. Work your schedule around your current availability
2. You are covered by EPCs work comp and liability insurance
3. You are paid weekly
4. Receive your pay via Direct Deposit
5. Benefits based on hours worked
6. Staff support, training and in-services
7. 24 hour medical support for all employees in the field
8. Check your schedule and directives via our secure website
9. Build your profile with your availability, type of client and geographic area preferred.
10. We are a supportive, positive, faith-based employer!
